# Registration and NDIS

## HOW MUCH IS CAMP REGISTRATION?

The camp registration is \$415.00 AUD for a 5-day camp.

Registration does not include flight or travel costs. If you need to book flights to camp, the camp coordinator will consult with you directly and ensure that your transport to camp is smooth.

However, if you are from a remote or rural area, and your travel costs will be significantly more expensive, please contact us – we will be providing a subsidiary for this.

Rural/remote areas are classified as areas that is far from the main city in the state e.g., Cairns is considered a rural/remote area as it is far from Brisbane. Western Australia is considered rural/remote due to the higher costs of flights.

## WILL CAMP REGISTRATION BE COVERED BY NDIS?

Your camp registration can be covered by NDIS depending on your plan goals and your funding. CBYC can invoice your registration under the following three categories:

### 1. Capacity Building

CAPACITY BUILDING 09\_011\_0125\_6\_3 (is there a reason for these numbers?) Increased Social and Community Participation - Participation In Community, Social And Civic Activities.

This is a very specific category. It is not the same as some of the other categories which mention 'assistance with social and community participation.'

### 2. Core (flexible)

We highly recommend consulting with your plan manager or support coordinator on what your NDIS plan can fund. If your NDIS plan is due for renewal and you want the funding included in your next NDIS plan for this camp, we can send you a quote.

### 3. Social and Participation funding

## **I NEED TO BRING A SUPPORT PERSON/WORKER WITH ME DURING CAMP**
