

4Senses

The Gin Club | The Stress of Leisure | Jakarta Criers

Experience live music like you never have before.

4Senses is a multi-sensory live gig, which uses sight and touch to make music accessible to everyone, including people who are deaf and hard of hearing..

Featuring local greats [The Gin Club](#), [The Stress of Leisure](#) and [Jakarta Criers](#), experience the music through visual art, subwoofer seats and by feeling the vibrations through balloons. The lyrics will be projected as a film track to each song, and Auslan interpreters will sign along to the music.

A great live performance is about so much more than sound – it's about giving and it's about the energy and connection.

SLQ Gallery, level 2, State Library of Queensland

Tickets \$30, bookings slq.eventbrite.com (ages 18+ only)
